#### INSURANCE COMPANY

BOME OFFICE: BOSTON

(A Mutual Insurance Company, Harein Called the Company)

Agrees with Monsanto Chemical Company, Shavinigan Resins Corporation, Mobay Chemical Company, Detergents Incorporated, Eastern Packaging Company, Monsanto Canada Limited, Monsanto Cakville Limited, and, unless otherwise specifically provided, any other company, corporation or business entity while Monsanto Chemical Company owns therein an interest of 50 per cent or more now or hereafter during the policy period, herein called the named insured, in consideration of the payment of the premium, in reliance upon the statements in the declarations made a part hereof, and subject to the limit of liability, exclusions, conditions and other terms of this policy;

#### **HISURING AGRICULTS**

- I. COVERAGE FERSONAL INJURY AND PROPERTY DAMAGE LIABILITY. To pay on behalf of the insured all sums which the insured shall become legally obligated to pay as damages and which would be payable by the company on behalf of the insured under the underlying policies, except for the provisions of the Limits of Liability conditions thereof.
- II. SETTLEMENT, SUPPLEMENTARY PARKETS. As respects the insurance afforded by the other terms of this policy the company shall pay all premiums on bonds to release attachments for an amount not in excess of the applicable limit of liability of this policy, but without any obligation to apply for or furnish any such bonds.

The company may make such investigation, negotiation and settlement of any claim or suit as it deems expedient.

The amounts incurred under this insuring agreement, except settlement of claims and suits, are payable by the company in addition to the limit of liability of this policy.

- III. DEFINITION OF INSURED. The unqualified word "insured" as used herein, shall have the meaning specified therefor in the underlying policy in accordance with the provisions of which the company is liable hereunder.
- IV. FOLICY FERIOD. The policy period is stated in the declarations.

- 2 -

#### EXCLUSIONS

#### This policy does not apply:

- (a) To accidents with respect to which insurance is afforded under policy So. AM-1-690016-55 and which occur prior to 12:01 A.M., October 1, 1955.
- (b) To accidents with respect to which insurance is afforded under AM-1-690016-56 and AM-1-691641-56 and which occur subsequent to 12:01 A.M., October 1, 1956.
- (c) To accidents with respect to which insurance is afforded under policy Nos. LB-1-690664-55 and AV-1-691323-55 and which occur prior to 12:01 A.M., October 1, 1955
- (d) To accidents with respect to which insurance is afforded under policy Nos. LP-1-690864-56 and AV-1-691323-56 and which occur subsequent to 12:01 A.M., October 1, 1956.
- (e) To the ownership, maintenance, use, loading or unloading of any aircraft by any insured or by any employee thereof.

#### COMDITIONS

- 1. PROVISIONS OF UNDERLYING POLICIES. This policy and the insurance afforded by this policy shall be subject to all of the terms and provisions of the underlying policies, other than Insuring Agreement II of each such policy, except as such terms and provisions are inconsistent with this policy.
- 2. UNDERLYING POLICIES. The underlying policies are those policies listed in the declarations of this policy.
- 3. PREMIUM. The premium stated in the declarations is an estimated premium only. Upon termination of this policy the earned premium shall be computed by the application of the premium rate stated in the declarations to the entire remuneration earned during the policy period by all employees of the maned insured. Such remuneration shall be the total remuneration of such employees upon which the named insured's workmen's compensation premium is computed by its workmen's compensation carriers, including the company, any other insurance company and any state, provincial or other government workmen's compensation fund. If in any state, province or country remuneration is not the basis on which premium for workmen's compensation insurance is computed, or if in any such jurisdiction the named insured is a selfinsurer or is not subject to any workmen's compensation law, the actual remuneration earned by all employees of the named insured working in such state, province or country, subject to a maximum of \$5,200 annually for each employee, shall be included in the remuneration upon which the premium for this policy is computed.

- the total aggregate limit of the company's limbility under this policy shall be Five Hillion Doblars (\$5,000,000).
- 5. OTHER DESURANCE. The insurance provided by this policy shall be excess insurance with respect to any loss against which the insurance has other valid and collectible insurance.
- 6. CARCELATION. This policy may be canceled by the named insured by mailing to the company written notice stating when thereafter such cancelation shall be effective. This policy may be canceled by the company by mailing to the named insured at the address shown in this policy written notice stating when not less than thirty days thereafter such cancelation shall be effective. The mailing of notice as aforesaid shall be sufficient proof of notice and the effective date of cancelation stated in the notice shall become the end of the policy period. Delivery of such written notice either by the named insured or by the company shall be equivalent to mailing.

If the named insured cancels, earned premium shall be computed in accordance with the customary short rate table and procedure.

If the company cancels, earned premium shall be computed pro rata. Premium adjustment may be made at the time cancelation is effected and, if not then made, shall be made as soon as practicable after cancelation becomes effective. The company's check or the check of its representative mailed or delivered as aforesaid shall be a sufficient tender of any refund of premium due to the named insured.

- 7. DECLARATIONS. By acceptance of this policy the named insured agrees that the statements in the declarations are its agreements and representations, that this policy is issued in reliance upon the truth of such representations and that this policy embodies all agreements existing between itself and the company or any of its agents relating to this insurance.
- 8. AGENCY AUTHORIZATION. Monsento Chemical Company is authorized to act in behalf of all interests mased as insureds with respect to all matters relating to insurance afforded by this policy, including the giving and receiving of notice of cancelation, the paying of premiums and receiving of return premiums, if any, and such dividends as may be declared by the company.
- 9. MUTUAL FOLICY COMDITIONS. This policy is non-assessable. The policyholder is a member of the company and shall participate, to the extent and upon the conditions fixed and determined by the board of directors in accordance with the provisions of law, in the distribution of dividends so fixed and determined.

IN WITHERS WEERSOF, the company has caused this policy to be signed by its President and its Secretary at Boston, Massachusetts, and countersigned by a duly authorized representative of the company.

# NUCLEAR ENERGY LIABILITY EXCLUSION ENDORSEMENT (BROAD FORM)

It is agreed that the policy, including any endorsement used therewith, does not apply:

- (a) to injury, sickness, disease, death or destruction with respect to which an insured under the policy is also an insured under a contract of nuclear energy liability insurance issued by the Nuclear Energy Liability Insurance Association or the Mutual Atomic Energy Liability Underwriters and in effect at the time of the occurrence resulting in such injury, sickness, disease, death or destruction; provided, such contract of nuclear energy liability insurance shall be deemed to be in effect at the time of such occurrence notwithstanding such contract has terminated upon exhaustion of its limit of liability;
- (b) to the ownership, maintenance, operation or use of a nuclear facility by or on behalf of an insured, with respect to injury, sickness, disease, death or destruction resulting from the nuclear energy hazard; provided that except for byproduct material, this paragraph (b) shall not apply to goods or products manufactured or handled by a nuclear facility owned, maintained, operated or used by or on behalf of an insured while such goods or products are away from such facility after sale or distribution to others;
- (c) to the furnishing of services, materials, parts or equipment by an insured in connection with the planning, construction, maintenance, operation or use of any nuclear facility, (1) with respect to injury to or destruction of any nuclear facility or property thereat resulting from the nuclear energy hazard or (2) if the nuclear facility is located outside the United States of America, its territories or possessions, or Canada, with respect to injury, sickness, disease, death or destruction resulting from the nuclear energy hazard:
- (d) to the transportation, handling, use, sale, distribution or disposal of byproduct material, with respect to injury, sickness, disease, death or destruction resulting from the nuclear energy hazard.

#### As used in this endorsement:

- The term "nuclear energy hazard" means the radioactive, toxic, explosive or other hazardous properties of source material, special nuclear material or byproduct material.
- 2. The terms "source material", "special nuclear material" and "byproduct material" shall have the meanings given them in the Atomic Energy Act of 1954 or by any law amendatory thereof; provided, except for byproduct material (a) contained in or combined with special nuclear material or (b) held, stored, transported or disposed of as waste by or on behalf of a nuclear facility, "byproduct material" shall not include any radioactive isotope away from a nuclear facility.
- 3. The term "nuclear facility" means:
  - (a) any apparatus designed or used to sustain nuclear fission in a self-supporting chain reaction or to contain a critical mass of fissionable material;
  - (b) any equipment or device (i) designed or used for the separation of the isotopes of uranium or plutonium, (ii) designed or used for the processing, fabricating or alloying of special nuclear material or of irradiated materials containing special nuclear material, (iii) incorporating or making use of such irradiated materials, or (iv) designed or used for processing waste byproduct material;
  - (c) any structure, basin, excavation, premises or place prepared or used for the storage or disposal of waste source material or waste consisting of or containing special nuclear material or byproduct material;

and includes the site on which any of the foregoing is located, together with all operations conducted thereon and all premises used for such operations.

Subdivision (ii) of paragraph (b) foregoing is not applicable to the occasional mechanical processing or fabricating of special nuclear material by any person or organization at a location which contains no equipment, device or apparatus otherwise defined herein as a nuclear facility, where special nuclear or byproduct material is not regularly handled, stored, or disposed of as waste, and which is principally used for other operations not related to the handling, fabricating or use of special nuclear material.

4. With respect to injury to or destruction of property, the word "injury" or "destruction" includes all forms of radioactive contamination of property.
